SUYASH POTDAR

+91 8291042128 ◇ Dombivali, Mumbai

suyashpotdar03@gmail.com ◇ Linkedin ◇ Github ◇ Portfolio

SUMMARY

Aspiring Data Scientist with a strong foundation in statistics, machine learning, and programming languages. Passionate about learning and staying up-to-date with the latest advancements in the field.

SKILLS

Technical Data Skills	Python, Pandas, Numpy, Scikit-Learn, Matplotlib, Seaborn, PowerBI, MySQL, Tensorflow
Tools & Platforms	Experience with Jupyter Notebooks, Google Colab, or other integrated development environments (IDEs) used for data science and familiarity with version control systems like Git/GitHub for collaborative coding and project management.
Soft Skills	Analytical Thinking, Collaboration and Teamwork, Effective Communication, Adaptability
Languages	English, Hindi, Marathi

CERTIFICATIONS

IBM Data Science Professional Certificate by Coursera.

Google Data Analytics Professional Certificate by Coursera

PROJECTS

- **Zomato Data Analysis Using Python**
- **Loan Approval Prediction Using Machine Learning**
- **Currency Exchange Rate Prediction Using Python**
- **Generative Adversarial Network (GAN) Model using Tensorflow**

EDUCATION

Master of Science Information Technology, S. K. Somaiya College, Vidyavihar   Expected 2025
Relevant Coursework: Big Data Analytics, Machine Learning, Natural Language Processing

Bachelor of Science Information Technology, Mumbai University   2020 - 2023

EXTRA-CURRICULAR ACTIVITIES

Accenture North America Data Analytics and Visualization Job Simulation on Forage - July 2024

- Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture.
- Cleaned, modeled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions.
- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders.

Tech Blog (July 2024 - Present)

I am the author of a technology-focused blog where I share my insights, stories, and the latest news in the tech industry. With a deep interest in Machine Learning, Data Science, and Web Development, I provide valuable content on various topics, from understanding machine learning algorithms to exploring the latest advancements in technology. My mission is to make technology accessible and understandable for everyone, inspiring and educating fellow tech enthusiasts and professionals.
